Title: Annual Agreements for Students with Special Needs Placed in Non-Public Schools

CONTACT: Norm Anderson

FOR INFORMATION: July 16, 2025

FOR ACTION: August 6, 2025

RECOMMENDATION:

Authorize the Superintendent or designee to continue agreements with three non-public schools to address the unique educational needs of District students with special needs.

Title: Resolution No. 4062 – Annual Authorization of Inter-Fund Loans for Cash Flow Purposes

CONTACT: Michael Johnston

FOR INFORMATION: July 16, 2025

FOR ACTION: August 6, 2025

RECOMMENDATION:

Adopt Resolution No. 4062 authorizing inter-fund loans for cash flow purposes, as submitted.

DISCUSSION:

California Education Code section 42603 authorizes school districts to make inter-fund loans between funds. It is in the best interest of the District to allow such loans in order to facilitate the investing of money and to avoid having to borrow money from outside financial institutions when one of the funds may have a cash shortage. This inter-fund loan process is utilized only as authorized by the California Education Code, which requires that the loan be repaid in the same year, or subsequent year if borrowing takes place within 120 days of the fiscal year-end. The Education Code also does not allow more than 75% of the money held in any fund during the current fiscal year to be transferred. District Administration recommends the Board approve a resolution authorizing these inter-fund loans during the fiscal year of 2025-26, as needed.

Title: Provisional Internship Permit**CONTACT:** Barry Jager**FOR INFORMATION:****FOR ACTION:** August 6, 2025**RECOMMENDATION:**

Approve the Provisional Internship Permit (PIP) for the recommended teaching candidates, as submitted.

DISCUSSION:

The PIP is available when the employing agency knows that there will be a teacher vacancy yet is unable to recruit a suitable candidate. The expectations of the employer and the employee are higher since this individual will be the teacher of record and should be on a credential track. The focus of the document is meeting subject matter competency. Once a candidate completes subject matter competency, the candidate can be employed on a document such as a District Internship Credential. Candidate requirements include the following: (1) Bachelor's degree or higher; (2) passage of the California Basic Educational Skills Test (CBEST); and (3) specific course work or experience, explained in detail on the PIP information leaflet.

As required by the California Commission on Teacher Credentialing (CCTC), employing agencies offering employment to a candidate on a PIP are required to: (1) conduct a diligent search for a suitable credentialed teacher or qualified internship teacher; (2) provide the PIP holder with orientation, guidance, and assistance as specified in Title 5 Section 80026.5 of the California Code of Regulations; (3) assist the PIP holder in developing a personalized plan (kept on file at the local level) through an agency-defined assessment leading to completion of subject matter competence; and (4) counsel the PIP holder to enroll in subject matter training. Clovis Unified School District administration hereby declares that a diligent search was conducted for suitable credentialed teachers or qualified internship teachers. Upon Board approval, District administration asserts that steps 2-4, as outlined above, will be completed.

School districts submitting PIP requests must include verification that a notice of intent to employ the applicants in the identified positions was made public. The public notice must include the following information: (1) the name of the applicants; (2) the assignments in which the applicants will be employed including subjects, grade levels, and school sites; and (3) a statement that the applicants will be employed on the basis of a PIP. Clovis Unified intends to submit PIP requests for the following teacher candidates, contingent upon administration and Board approval:

Name of Applicant	Assignment	Grade Level	School Site	Employment Status
Elvia Lemus Rangel	SDC, Functional Skills	K-6	Tarpey Elementary	PIP (Education Specialist Mild to Moderate Support Needs)
Patricia Rodriguez	Resource Specialist	K-6	Ft. Washington Elementary/ Maple Creek Elementary	PIP (Education Specialist Mild to Moderate Support Needs)
Alexus Ourk	Resource Specialist	7-8	Kastner Intermediate	PIP (Education Specialist Mild to Moderate Support Needs)

A PIP shall be issued for one year and may not be renewed.

Lastly, public school districts must include a copy of the agenda item presented to the governing board of the district. The agenda item must be presented in a public meeting as an action item and include the

information above for each individual for whom the permit will be requested. The permit request must include a signed statement from the Superintendent, or designee, that the item was acted upon favorably. To assure that each permit request receives individual review and approval by the Governing Board, the agenda item may not be part of the consent agenda.

The PIP requests are being presented directly for action due to immediate hiring needs.

Title: Variable Term Waiver Renewal Request

FOR INFORMATION:

FOR ACTION: August 6, 2025

RECOMMENDATION:

Approve the Variable Term Waiver (VTW) renewal request, as submitted.

DISCUSSION:

District Administration has actively sought qualified candidates who hold the appropriate subject matter credentials inclusive of the Speech Language Pathology (SLP) services credential. In cases where a credential holder is required to hold the SLP, but does not yet hold this authorization, it is necessary to request a VTW.

Clovis Unified School District intends to submit a VTW renewal for the following candidate who holds a Multiple Subject Teaching Credential. This credential does not include the SLP authorization needed for the 2025-26 school year.

Name of Applicant	Assignment	Grade Level	School Site	Employment Status
Andrea Albergottie	Speech Language Pathology	K-12	District-wide Special Education	VTW (Speech Language Pathology)

The anticipated date of program completion to obtain the SLP services authorization for the above-referenced teacher will be approximately Fall 2026.

As such, it is recommended that this VTW request be approved to provide the time necessary for the teacher to earn her authorization in SLP.

The VTW renewal is being presented directly for action due to immediate hiring needs.

CONTACT: Michael Johnston

FOR INFORMATION:

FOR ACTION: August 6, 2025

RECOMMENDATION:

Adopt Resolution No. 4063 declaring the intention to convey easements to the Fresno Metropolitan Flood Control District ("FMFCD") and set a public hearing for August 27, 2025, no earlier than 6:45 p.m. at 1680 David E. Cook Way, Clovis, California, regarding an underground storm drainage pipeline for APN 491-050-08T and APN 491-050-15T. (TWO-THIRDS VOTE REQUIRED/FIVE AFFIRMATIVE VOTES)

DISCUSSION:

Clovis Unified School District ("District") owns the real property located at 1450 Herndon Avenue, Clovis, California, 93611, in the County of Fresno ("Property"). The purpose of the easements is to grant FMFCD access to operate and maintain its underground storm drainage pipeline.

The conveyance of the easements is authorized by the California Education Code. Education Code section 17577 requires the governing board, by not less than a two-thirds vote of all of its board members, to adopt a resolution declaring its intention to dedicate or convey the easements and set a public hearing not less than 10 days thereafter on the question of making the conveyance.

The dedication and conveyance of the easements pursuant to Education Code section 17556 et seq. is a two-step process. At this August 6, 2025, Board meeting, the Board will take action on the first step by adopting the proposed Resolution No. 4063 that is attached. Proposed Resolution No. 4063 must be adopted by at least a two-thirds/five affirmative votes of all of the Board members and be signed by the Board members or a majority thereof. The Board actions for the second step are anticipated to occur at the Board meeting on August 27, 2025. At that meeting, the Board will: (1) hold the public hearing on the question of making the dedication or conveyance of the easements to FMFCD; and (2) adopt a resolution to authorize and direct the execution of a deed of dedication or conveyance of the easement and to deliver it.

Title: Construction Costs for Outdoor Bleachers and Press Box at the Terry P. Bradley Educational Center

CONTACT: Michael Johnston

FOR INFORMATION: July 16, 2025

FOR ACTION: August 6, 2025

RECOMMENDATION:

Approve construction costs for outdoor bleachers and a press box at the Terry P. Bradley Educational Center and related provisions of the lease-leaseback agreement and authorize the Superintendent or designee to execute the schedule of sublease payments for this scope of work.

DISCUSSION:

At the October 6, 2021, Clovis Unified Governing Board meeting, the Board approved Harris Construction to be the District's lease-leaseback contractor for the new 7-12 educational center and instructed the District to prepare the lease-leaseback agreement, site lease agreement and sublease agreements. Harris was also authorized to begin performing designated pre-construction services for the new educational center.

Following the October 6, 2021, Board meeting, Harris Construction worked with the District and the project architect to perform pre-construction services including site evaluation, constructability review, design meetings, scheduling, cost estimates and construction planning.

On July 15, 2025, Harris Construction received bids from subcontractors to construct bleachers and the press box at the Terry P. Bradley Educational Center. The District participated in the bid process and pre-qualification of all the subcontractors to ensure that the best value is received. Following the bid opening, a two-week review by Harris Construction was conducted to evaluate best value in accordance with Education Code section 17406. A final review by Harris Construction and the District was conducted on July 23, 2025. The sum of the subcontractors' bids is considered the "Total Sublease Amount" under the terms of the District lease-leaseback agreement with Harris Construction and will be provided in the schedule of sublease payments.

RECOMMENDATION:

Assuming the agreement is approved by ACE, the District will provide a recommendation regarding the public disclosure of a Collective Bargaining Agreement related to ACE Psychologists and Mental Health Support Providers prior to the August 27, 2025, Governing Board meeting.

DISCUSSION:

Government Code section 3547.5 requires a public disclosure of any Collective Bargaining Agreement to ensure that members of the public are informed of the major provisions of the agreement before it becomes binding upon the District.

Before a public school employer enters into a written agreement with an exclusive representative covering matters within the scope of representation, the major provisions of the agreement including, but not limited to, the costs that would be incurred by the public school employer under the agreement for the current and subsequent fiscal years, shall be discussed at a public meeting of the public school employer in a format established for this purpose by the Superintendent of Public Instruction.

The Superintendent, Associate Superintendent of Administrative Services, and the Assistant Superintendent of Business Services shall certify in writing that the costs incurred by the school district under the agreement can be met by the District during the term of the agreement.

If the agreement is approved by ACE Psychologists and Mental Health Support Providers unit members, the disclosure will be provided to members of the Governing Board with their August 27, 2025, Governing Board meeting agenda materials.

Approve an amendment to the District's Section 125 Flexible Benefit Plan, as submitted.

These choices include an option to receive certain benefits in lieu of taxable compensation. The plan helps Clovis Unified attract, reward and retain highly qualified, skilled employees.

The change to the 2025-26 plan is as follows:

- The Flex Maximum Medical will increase from \$3,200 to \$3,300
- The Childcare Maximum remains unchanged at \$5,000

The revised Section 125 Flexible Benefit Plan is available for review in the Administrative Services Department.
