CONTACT: Marc Hammack**FOR INFORMATION:****FOR ACTION:** February 4, 2026

RECOMMENDATION:

Approve the Voluntary Community Recreation Program, as submitted

DISCUSSION:

The Clovis Community Sports and Recreation Department provides and operates noneducational, athletic and recreation programs and activities for the access and enjoyment of Clovis and surrounding communities. Such noneducational, recreational programs and activities are not part of the District's curricular, extracurricular, or co-curricular educational programs, and are entirely separate and distinct from the District's educational program. The Department's recreational offerings are available to all age-appropriate participants in Clovis, Fresno and surrounding communities, whether or not such participants are enrolled in the District's educational program, and students enrolled in the District's educational program are never required to participate in the Department's noneducational, recreational programs or activities.

The proposed costs listed below are to attend the camp/clinic and may not include additional items such as spirit packs, shirts, jerseys, etc. The additional items will be provided at cost with no profit for the program. All additional items will be specifically identified in the flyers to the community.

Title: Annual School Site Safety Plans Summary 2026

CONTACT: Marc Hammack

FOR INFORMATION: February 4, 2026

FOR ACTION: February 18, 2026

RECOMMENDATION:

Accept the Annual School Site Safety Plans Summary for 2026, as submitted.

DISCUSSION:

California Education Code section 32280, et seq., provides that each school district is responsible for the overall development of comprehensive school safety plans for its schools. Each school is to review and update its plan by March 1 every year and forward its comprehensive school safety plan to the school district or county office of education for approval.

Each school site has forwarded its comprehensive safety plan to the District Office and the plans have been reviewed by the respective Area Superintendent for that site. The Education Code does not specify that Board approval is required; even so, the attached outline is intended to provide the Board with a summary of the items addressed in the plan for each school site. Due to the extensive length of all the plans, copies are not included in the agenda packet but are available for review through the Educational Services Office.
