

**GOVERNING BOARD MEETING**

**March 4, 2026**

**Professional Development Building, Boardroom  
1680 David E Cook Way, Clovis, California**

**5:30 PM - CLOSED SESSION**

**6:30 PM - PUBLIC SESSION**

Members of the public who wish to provide public comments must do so in-person during the Board meeting. **Please complete and submit a Public Comment Form before the start of the Public Session on the day of the meeting.** The Public Comment Form is available outside the Board meeting room on the day of the meeting. During the meeting, speakers who have requested to address the Board will be called to do so. Comments on items that are on the agenda are to be made when the item is called by the Board President. Comments on matters that are not on the agenda are to be made during the Public Presentations. Pursuant to Board Bylaw No. 9323, each speaker generally has up to two (2) minutes to speak. The Board President may adjust the time allotted for each speaker and limit the total time for public comment. No speaker may yield his or her time to another speaker. Each regular Board meeting will be video recorded by the District, the recording of which will be made accessible to the public within 48 hours of the Board meeting at:

<https://www.cusd.com/board-agendas-meetings-archives>

**Regular Meeting AGENDA**

Additional information regarding this agenda may be viewed through the District's website at

<https://pwr.cusd.com/boardagendas.html>

In compliance with the Americans with Disabilities Act, if you need special assistance to access the Board meeting room or to otherwise participate at this meeting, including auxiliary aids or services, please contact the Superintendent's Office at 327-9105. Notification at least 48 hours prior to the meeting will enable the District to make reasonable arrangements to ensure accessibility to the Board meeting.

Public records relating to an open session agenda item of a regular meeting that are distributed within 72 hours prior to the meeting will be available for public inspection at the District Office, 1450 Herndon Avenue, Clovis, California.

An invocation may be held prior to the start of the Board meeting. Attendance during and participation in the invocation are optional and voluntary. No students, parents, members of the public, Board members, student Board representative, or employees are required to attend or participate in the invocation.

## **INVOCATION**

### **A. CALL TO ORDER**

### **B. ROLL CALL**

### **C. ADOPTION OF AGENDA**

### **D. CLOSED SESSION**

1. CONFERENCE WITH LEGAL COUNSEL - ANTICIPATED LITIGATION - Significant Exposure to Litigation (Pursuant to Subdivision (d)(2) of Gov't Code § 54956.9) - 1 case
2. CONFERENCE WITH LEGAL COUNSEL - EXISTING LITIGATION (Gov't Code § 54956.9(d)) - Case No. F088930, Case No. 25CECG02898, Case No. 22CECG00608, OAH Case No. 2026020674
3. CONFERENCE WITH LABOR NEGOTIATORS (Education Code § 54957.6) Agency Negotiator - Corrine Folmer, Ed.D., Supt. Negotiating Parties - Contracted Emps., Cert. Mgmt., Cert. Teachers, Class. Emps., Class. Mgmt. and Ops. Unit

7. PUBLIC EMPLOYEE DISCIPLINE/DISMISSAL/RELEASE/SUSPENSION (Gov't Code § 54957)
8. STUDENT DISCIPLINE AND OTHER CONFIDENTIAL STUDENT MATTERS (Education Code § 48900 et seq. and § 35146)

### **E. RECONVENE FOR PUBLIC SESSION**

### **F. RECOGNITION OF VISITORS**

### **G. PLEDGE OF ALLEGIANCE**

### **H. CLOSED SESSION MOTIONS**

### **I. SUPERINTENDENT'S REPORT**

### **J. STUDENT REPRESENTATIVE REPORT**

### **K. SPECIAL PRESENTATIONS**

1. Clovis High School Band Performance

In honor of March's "Music in Our Schools Month," the Clovis High School Band will perform two selections for the Governing Board under the direction of Esmeralda Rocha Lozano.

**L. PUBLIC PRESENTATIONS**

*This time is reserved for individuals who may wish to address the Board regarding a matter that is not included on the agenda. Please note that because the items brought up by the public during this time are not on the agenda, the Governing Board may not discuss or act upon such items.*

**M. STAFF REPORTS**

1. Annual Career Technical Education Status Written Report 2025-26

Staff has prepared a report that includes data points, program growth, and future focus for Career Technical Education within Clovis Unified School District.

**N. CONSENT**

1. Conference Request

Approve the Conference Request, as submitted.

2. Fundraiser Requests

Approve the Fundraiser Requests, as submitted.

3. Student Trip Requests

Approve the Student Trip Requests, as submitted.

4. Voluntary Community Recreation Programs

Approve the Voluntary Community Recreation Programs, as submitted.

5. February 18, 2026, Governing Board Meeting Minutes

Approve the minutes of the February 18, 2026, Governing Board meeting, as submitted.

6. Ratification of District Purchase Orders, Contracts, and Check Register

Ratify District Purchase Orders, Contracts, and Checks numbered 560706265 through 560707069.

7. Change Orders

Approve the Change Orders, as submitted.

8. Annual Concurrent Public Higher Education Program, Second Semester 2025-26

Approve the participation of students from Buchanan, Clovis, Clovis East, Clovis North, Clovis Online and Clovis West high schools in the Concurrent Public Higher Education Program for the second semester of the 2025-26 school year, as submitted.

9. Resolution No. 4082 - Annual Self-Certifying Increased Federal Micro-Purchase Threshold

Adopt Resolution No. 4082 regarding the annual Self-Certifying Increased Federal Micro-Purchase Threshold pursuant to 2 Code of Federal Regulations (CFR) section 200.320.

## **O. ACTION**

*In general (unless otherwise noted), these items were seen for Information at the prior Board meeting and will be voted on at this meeting. Agenda items titled "Annual" are recurring items submitted to the Board for approval yearly.*

1. California School Boards Association Delegate Assembly Election for Subregion 10-B

The Governing Board may vote for up to three (3) individuals to serve as California School Boards Association (CSBA) Delegate Assembly members for Subregion 10-B (Fresno County).

2. Memorandum of Understanding Between Clovis Unified School District and California School Employees Association, Chapter 250

Approve the Memorandum of Understanding (MOU) between Clovis Unified School District and California School Employees Association, Chapter 250 to adjust the longevity pay amount effective July 1, 2025, and the Professional Growth program ensuring compliance with Public Employees' Retirement Law (PERL) and California Public Employees' Retirement System (CalPERS) regulations.

3. New Job Description - Instrument Repair Specialist

Approve the job description for the new position of Instrument Repair Specialist, as submitted.

4. Award of Bid - Services

Award of Bid No. 3053 - E-Rate FY 2026-27 (Year 29) Form 470 #260010452, per the attached tabulation.

## **P. INFORMATION**

*Unless otherwise noted, these items are on the agenda to provide time for Board members to review prior to taking action on the items at the next Board meeting. Agenda items titled "Annual" are recurring items submitted to the Board for approval yearly.*

1. Memorandum of Understanding Between Clovis Unified School District and the Association of Clovis Educators Naturalists and Naturalists Substitutes

Ratify the Memorandum of Understanding (MOU) between Clovis Unified School District and the Association of Clovis Educators (ACE) Naturalists to create vacancies for two (2) employees currently identified as Naturalists substitutes to be reclassified as Naturalists.

2. Administrator Contract - Administrator, Facility Services

Approve the new employment contract for Administrator, Facility Services.

3. Amendment to Administrator Contract - Superintendent

Adopt an amendment to the contract for Superintendent.

4. Annual Approval of the Second Interim Financial Report with a Positive Certification

Approve the District's Second Interim Financial Report and adopt a Positive Certification indicating the District will be able to meet its financial obligations for the remainder of the 2025-26 school year as required by Assembly Bill 1200.

5. Award of Bid - Construction and Equipment

A recommendation for Bid No. 3060 - Kitchen HVAC Replacement - Various Sites, Bid No. 3062 - Rebid District Fleet Vehicle Replacement, Bid No. 3063 - Painting - Various Sites, Bid No. 3065 - Roofing - Various Sites, Bid No. 3066 - Fencing - Various Sites, and Bid No. 3067 - Rebid Radio Communication Equipment will be brought to the Governing Board for action at a future date.

#### **Q. BOARD SUBCOMMITTEE REPORTS**

1. CUSD - City of Clovis Subcommittee Meeting (Fogg, Moore, Tom Hashimoto)

#### **R. BOARD MEMBER REPORTS**

#### **S. ADJOURNMENT**

# Career Technical Education

**2025-26**

**Our Mission:** To provide innovative Career Technical Education through high quality, rigorous educational pathways developed in partnership with business and industry, allowing students to pursue their passions while becoming college and career ready.

**Career Technical Education**  
Clovis Unified School District

**Marc Hammack, Ed.D., Associate Superintendent**  
**Erin Waer, Assistant Superintendent**  
**Margaret Files, CTE Director**

# Terms, Definitions, and Acronyms

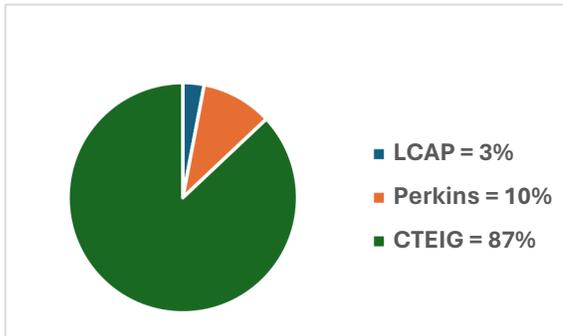

Term	Definition
<b>Capstone Course</b>	The final course in a planned sequence of courses for a Career Technical Education (CTE) program that provides a rigorous and intensive culmination of a course of study. Capstone courses are typically offered through Regional Occupational Centers and Programs (ROCP).
<b>Community Classroom</b>	An unpaid internship or contract where students are placed and mentored by an industry site professional within a community work-based site.
<b>Concentrator Course</b>	A CTE course beyond the introductory level that is intended to provide more in-depth instruction and exploration of a specific industry sector. The second course and succeeding courses of a planned CTE program sequence.
<b>CTE</b>	Career Technical Education is a program of study that prepares students for careers by teaching them academic, technical, and real-world skills.
<b>CTSO</b>	Career Technical Student Organization. These include integrated student leadership co-curricular organizations. There are several recognized in California including: Distributive Education Clubs of America (DECA), Future Business Leaders Association (FBLA), Future Farmers of America (FFA), Health Occupations Students of America (HOSA), and Skills USA. Within Clovis Unified, FBLA, FCCLA, FFA, HOSA, and Skills USA are represented.
<b>FBLA</b>	Future Business Leaders of America is the high school division of Future Business Leaders of America-Phi Beta Lambda, Inc. FBLA helps high school students prepare for careers in business.
<b>FCCLA</b>	Family, Career and Community Leaders of America is a national Career and Technical Student Organization (CTSO) for students in Family and Consumer Sciences.
<b>FFA</b>	Future Farmers of America is the student leadership organization associated with the Agriculture pathways.
<b>HOSA</b>	Future Health Professionals, formerly known as Health Occupations Students of America (HOSA), is an international career and technical student organization.
<b>Introductory Course</b>	An initial or survey course in a CTE program intended to provide a beginning or introductory level of information about an industry sector or career pathway.
<b>Job Shadow</b>	A work-based learning opportunity in which students observe and interview industry site professionals.
<b>Pathway</b>	A sequence of linked courses that lead to industry-recognized skill sets.
<b>Skills USA</b>	Students who are preparing for careers in trade, technical and skilled service occupations.
<b>Work-Based Learning (WBL)</b>	A hands-on opportunity for CTE students that ranges from a career search, job shadow, or unpaid internship (called a community classroom) to paid internships and work experience.

# Funding Sources

## Career Technical Education Incentive Grant

The California Career Technical Education Incentive Grant (CTEIG) program was established as a state education, economic, and workforce development initiative with the goal of providing pupils in kindergarten through grade 12 an inclusive education, with the knowledge and skills necessary to transition to employment and postsecondary education. The purpose of this program is to encourage, maintain, and strengthen the delivery of high-quality CTE programs.

## CTEIG requires that all CTE programs achieve full compliance with the twelve minimum requirements:

1. Student-centered delivery of service
2. Equity
3. Access
4. Leadership at all levels
5. High quality, integrated curriculum and instruction
6. Skilled instruction and educational leadership, informed by professional learning
7. Career exploration and student supports
8. Appropriate use of data and continuous improvement
9. Cross system alignment
10. Recruitment and marketing (promotion, outreach, and communication)
11. Sustained investments and funding through mutual agreements
12. Strong partnerships with industry

## PERKINS V: Strengthening Career and Technical Education for the 21st Century Act

This Federal act was established to improve CTE programs, integrate academic and career technical instruction, serve special populations, and meet gender equity needs. Perkins funds are applied for annually and are the most restrictive of CTE funding. The Clovis Unified School District has applied for and received funding over the past twelve years to promote CTE programs, specifically: industry tours, conferences, substitutes, supplemental textbooks, and large ticket equipment purchases.

## Local Control and Accountability Plan

School districts in California are required to prepare a three-year public plan known as the Local Control and Accountability Plan (LCAP). The LCAP officially defines the District's goals and priorities. CTE is allotted funds from the District's LCAP.

# Vision: To be America's benchmark for excellence in education

## Goals

- 1 Increase student enrollment in CTE courses.
- 2 Increase CTE pathways, and/or course offerings.
- 3 Increase business and industry partnerships.
- 4 Increase the number of industry certifications available for students to earn in CTE pathways.
- 5 Increase the number of work-based learning offerings aligned with CTE courses.
- 6 Collaborate with local community colleges to increase dual enrollment opportunities so our CUSD students may earn college level credit while in high school.

## Expected Results for CTE Students

- Career Ready 
- Students create a career plan
  - Students prepare a portfolio
  - Students exhibit professionalism

- Technically Skilled 
- Students employ industry technology
  - Students master safety standards
  - Students complete competencies
  - Students earn industry certifications

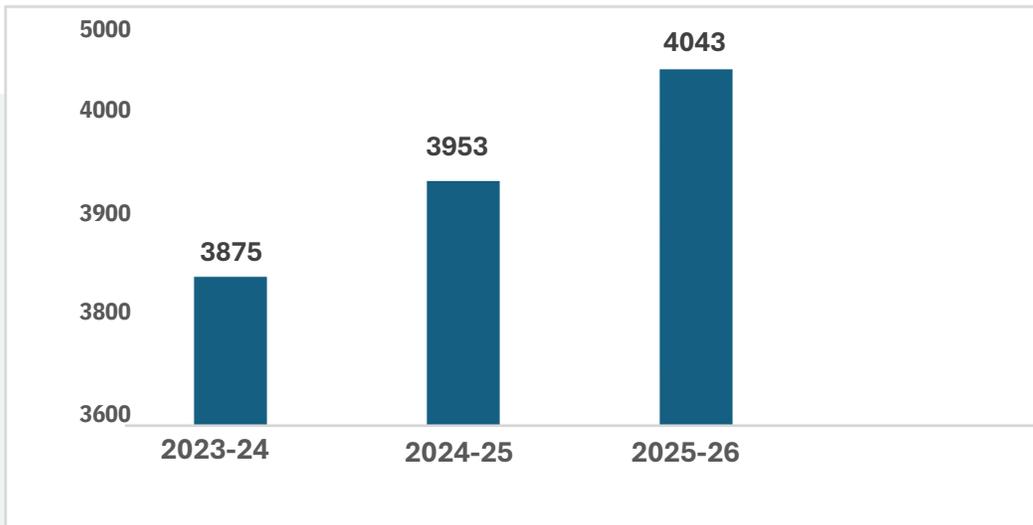

- Educationally Prepared 
- CTE classes integrate multiple disciplines
  - Students have access to post-secondary opportunities
  - CTE students are productive citizens

# Goal 1

## Increase student enrollment in CTE courses.

CTE student ambassadors, site recruitment efforts, and the Annual CTE Night contribute to a steady increase in enrollment.

## Goal 2

### Increase CTE pathways, and/or course offerings.

Aviation and Medical Assistant are two new pathways being added at Clovis South High School. The Aviation pathway is designed to introduce students to the history of aviation, with a focus on drones used in industry. The Patient Care pathway will introduce students to the current technology, equipment, and applications of patient care.

## Goal 3

### Increase business and industry partnerships.

Community partnerships are essential to help CTE students apply the skills they have learned in their classes in real-world, hands-on applications and to provide a skilled workforce for the local economy. Our teachers work to recruit skilled advisory members who help plan curriculum based on industry needs and provide workplace community classrooms for CUSD students.

**200**  
Active Industry  
Partners

#### Our business partners include:

- Clovis Police Department
- Clovis Fire Department
- Eddie's Bakery
- Fine Family Flower Farm
- Gallo Winery
- Larson Brothers
- Scott Mooneyham PT
- Wawona Foods

\*A complete list of industry partners can be found beginning on page 41.

**116**  
Community  
Classroom  
Placements

## Goal 4

# Increase the number of industry certifications available for students to earn in CTE pathways.

We continue to work with industry partners to increase the number of industry-recognized certifications. The list of industry certifications that students may earn are listed in the Pathway, Partnerships, Certifications, and CTE Student Organization section of each high school. The certifications provide students with evidence of work-ready skills.

### A sample of certifications students earn include:

- Adobe Photoshop
- Forklift certification
- Hospitality Customer Service certification
- OSHA 10 - Hour General Industry
- Paraprofessional certificate
- Serve-safe Food Handlers and Manager certification

\*A complete list of certifications can be found beginning on page 41.

## Goal 5

### **Increase the number of work-based learning offerings aligned with CTE courses.**

The work continues to increase the number of work-based learning opportunities our students have. We continue to take advantage of online platforms that provide a combination of interactive tools, assessments, and real-world exploration videos to empower students so they can explore diverse career pathways.

## Goal 6

**Collaborate with local community colleges to increase dual enrollment opportunities so our CUSD students may earn college level credit while in high school.**

### Dual-Enrolled Courses

**35% of CTE courses offer dual enrollment with local community colleges and universities.**

Accounting | Ag Engineering I | Ag Engineering II | Ag Engineering III | Art & History of Floral Design | Building Scaled Structures | Business Financial Service Internship | Careers in Education | Careers in Child Development | CDE Animal Science | Criminal Investigation | Criminal Justice | Electronic Systems, Sounds & Communication | Equine Anatomy & Physiology | Equine Science | Fire Fighting Tech I & II | Health & Medical Wellness | Introduction to Digital Photography | Journalism & Publishing | Personal Finance | Publishing Management | Rehabilitation Careers | Sports Medicine | Videography | Welding Processes & Fabrication | Welding Fabrication & Application

# Industry Sectors

## **AGRICULTURE AND NATURAL RESOURCES** **Clovis East High School**

Agriculture is California's most important economic industry. California is often called the breadbasket of the world. A strong demand exists for well-trained, environmentally sensitive individuals to provide the state, nation, and world with food, fiber, and a healthy environment. The Agriculture and Natural Resources sector emphasizes real-world, occupationally relevant experiences. Classroom and laboratory instruction, supervised agricultural experience, projects, leadership, and interpersonal skill development activities prepare students for advanced training, higher education, and career entry.

## **ARTS, MEDIA, AND ENTERTAINMENT** **Buchanan High School, Clovis High School, Clovis West High School, CART**

The Arts, Media, and Entertainment sector offers a broad range of employment opportunities. The variety of careers in this sector can accommodate different personalities ranging from actors, actresses and professional gamers to multi-tasking managers. Work is often project-based, requiring time management skills with the ability to meet strict deadlines. Academic studies are needed to understand and keep up with changing technology used in this industry. A broad academic background and interpersonal skills are also valuable. Participating in the arts promotes teamwork, communication skills, critical thinking, and decision-making abilities.

## **BUSINESS AND FINANCE** **Clovis West High School, CART, Gateway High School**

Businesses rely on financial and personnel managers to keep companies running smoothly. The pathways in the Business and Finance sector are key to successful business operations and offer a multitude of career opportunities. Students will discover that accounting skills are highly marketable and provide opportunities in many other career paths. Pathway instruction includes basic accounting principles and procedures, as well as computer applications, taxes, investments, and asset management. Someone with an understanding and an affinity for mathematics would thrive in the Finance and Business sector.

## **BUILDING AND CONSTRUCTION TRADES** **Clovis High School**

The Building and Construction Trades sector provides opportunities to learn a variety of construction skills, directly associated with completing building projects. High school curriculum in this sector integrates academic and technical preparation leading to hands-on, work-based instruction. Project and work-based instruction offers opportunities in work experience, community classroom, or other internship types of instruction.

# Industry Sectors

## **EDUCATION, CHILD DEVELOPMENT, AND FAMILY SERVICES** **Buchanan High School, Clovis East High School, Clovis High School, Clovis North High School, Clovis West High School**

With many employees predicted to retire from Education, Child Development, and Family Services in the next decade, a wealth of career opportunities will be available. Opportunities are available to teach children from preschool to high school, or as a college professor. Jobs are available for all levels of education. Training combines classroom instruction with hands-on community work experience.

## **ENERGY, ENVIRONMENT, AND UTILITIES** **Buchanan High School, CART**

Utilizing renewable energy and sustainable resources will impact our future for generations to come. Hydroelectric, geothermal, and nuclear power are part of the current resources. Doing more with less will likely be a focus of future research and development. Pollution created by energy and utility use poses a significant challenge for environmentalists and scientists now and in the future. Improving the recycling of waste materials from trash to sewage will offer many employment opportunities in the Energy and Utilities Industry sector.

## **HEALTH SCIENCE AND MEDICAL TECHNOLOGY** **Buchanan High School, Clovis East High School, Clovis North High School, CART**

Health care is one of the fastest growing career sectors. The Health Science and Medical Technology sector requires academic and technical skills, as well as related knowledge necessary for the field. These careers range from entry level to management, including technical and professional specialties. Workers in this field need the knowledge and ability to contribute to the delivery of safe and effective health care. Nearly half of the careers in this area require professional level preparation. Students commonly need the academic background required for entry into postsecondary education.

## **HOSPITALITY, TOURISM, AND RECREATION** **Buchanan High School**

The Hospitality, Tourism, and Recreation Industry sector encompasses many different yet interrelated careers. Students who follow this sector are eligible for positions throughout the world with great potential for advancement. Whether you have a passion for cooking, travel, sports, or nutrition, this career pathway will provide the education and experience necessary to become successful.

# Industry Sectors

## **INFORMATION AND COMMUNICATION TECHNOLOGIES** **Clovis North High School, CART**

Information technology careers involve the design, development, support, and management of hardware, software, multimedia, and systems integration services. No other career sector offers as much diversity as Information Technology. You can take the skills learned in these pathways and apply them to any sector of our economy. With organizations continually integrating sophisticated technology into their companies, the employment opportunities for technology support specialists are expected to grow faster than the average for all other occupations.

## **MANUFACTURING AND PRODUCT DEVELOPMENT** **Clovis North High School, CART**

The Manufacturing and Product Development sector provides a foundation in manufacturing processes and systems. Manufacturing is the use of tools and labor to make products to sell. Product development involves the creation of an idea and the subsequent design and process that results in a product for sale. As our world becomes more dependent on electronics, students with training and education in manufacturing and product development will continue to be in high demand.

## **PUBLIC SERVICES** **Clovis East High School, CART**

The Public Services sector provides a foundation for students interested in being involved in their community and serving the public's interest. Careers range from public safety to community outreach, and everything in between. Because of heightened interest in homeland and border security, employment growth in this sector is projected at over 20% in the near future. Students engage in an instructional program that integrates academic and technical preparation and focuses on career awareness, exploration, and skill preparation. Community service, internships, and work experience go hand-in-hand with classroom instruction.

## **TRANSPORTATION** **Clovis High School, Clovis West High School**

Transportation plays a crucial role in our society. Vehicle components and systems will continue to become increasingly sophisticated which, in turn, will require well-trained operators and maintenance and repair technicians. Examples of future transportation technology include rocket technology, super-capacity jet airplanes, hybrid, biodiesel, and hydrogen fuel-cell technology involving automobiles and trucks. Vehicle service and repair is now a highly skilled profession that requires more problem-solving skills. In addition to cars and trucks, the motor vehicles category includes boats, motorcycles, trains, and outdoor power equipment. All require specific knowledge to be serviced, repaired, and maintained properly.

**Title:** Voluntary Community Recreation Programs

---

**CONTACT:** Marc Hammack

**FOR INFORMATION:**

**FOR ACTION:** March 4, 2026

---

**RECOMMENDATION:**

Approve the Voluntary Community Recreation Programs, as submitted.

**DISCUSSION:**

The Clovis Community Sports and Recreation Department provides and operates noneducational, athletic and recreation programs and activities for the access and enjoyment of Clovis and surrounding communities. Such noneducational, recreational programs and activities are not part of the District’s curricular, extracurricular, or co-curricular educational programs, and are entirely separate and distinct from the District’s educational program. The Department’s recreational offerings are available to all age-appropriate participants in Clovis, Fresno and surrounding communities, whether or not such participants are enrolled in the District’s educational program, and students enrolled in the District’s educational program are never required to participate in the Department’s noneducational, recreational programs or activities.

The proposed costs listed below are to attend the camp/clinic and may not include additional items such as spirit packs, shirts, jerseys, etc. The additional items will be provided at cost with no profit for the program. All additional items will be specifically identified in the flyers to the community.

Clovis Community Sports and Recreation Department

**GOVERNING BOARD MEETING  
MINUTES  
February 18, 2026**

**Professional Development Building, Boardroom  
1680 David E Cook Way, Clovis, California**

**5:30 PM - CLOSED SESSION  
6:30 PM - PUBLIC SESSION**

Members of the public who wish to provide public comments must do so in-person during the Board meeting. **Please complete and submit a Public Comment Form before the start of the Public Session on the day of the meeting.** The Public Comment Form is available outside the Board meeting room on the day of the meeting. During the meeting, speakers who have requested to address the Board will be called to do so. Comments on items that are on the agenda are to be made when the item is called by the Board President. Comments on matters that are not on the agenda are to be made during the Public Presentations. Pursuant to Board Bylaw No. 9323, each speaker generally has up to 2 minutes to speak. The Board President may adjust the time allotted for each speaker and limit the total time for public comment. No speaker may yield his or her time to another speaker. Each regular Board meeting will be video recorded by the District, the recording of which will be made accessible to the public within 48 hours of the Board meeting at:

<https://www.cusd.com/board-agendas-meetings-archives>

**Regular Meeting AGENDA**

Additional information regarding this agenda may be viewed through the District's website at

<https://pwr.cusd.com/boardagendas.html>

In compliance with the Americans with Disabilities Act, if you need special assistance to access the Board meeting room or to otherwise participate at this meeting, including auxiliary aids or services, please contact the Superintendent's Office at 327-9105. Notification at least 48 hours prior to the meeting will enable the District to make reasonable arrangements to ensure accessibility to the Board meeting.

Public records relating to an open session agenda item of a regular meeting that are distributed within 72 hours prior to the meeting will be available for public inspection at the District Office, 1450 Herndon Avenue, Clovis, California.

An invocation may be held prior to the start of the Board meeting. Attendance during and participation in the invocation are optional and voluntary. No students, parents, members of the public, Board members, student Board representative, or employees are required to attend or participate in the invocation.

## **A. CALL TO ORDER**

Board President Tiffany Stoker Madsen called the Governing Board meeting to order at 5:31 p.m.

**Description** Increased tariffs.

**From** Clovis Unified School District  
 1470 Herndon Avenue  
 Clovis, CA 93611 **To** Durham Construction Company  
 55 Shaw Avenue, Suite 103  
 Clovis, California 93612

Item No.	Item Description	Item Amount	Reason for Change
01	Increased costs associated with tariffs on the generator.	\$3,877.02	Unforeseen Condition

Description: Increased costs associated with tariffs on the generator.  
 Requested By: Unforeseen Condition. \$3,877.02 to be added to the contract.  
 Reason for Change: Unforeseen Condition. Due to newly imposed tariffs implemented after the project began, the cost on the generator has been adjusted.

**Total for this Current CCO** \$3,877.02

**CONTRACT SUMMARY:**

<b>Original Contract</b>	\$1,334,400.00
<b>Pending CCOs (Including Current CCO)</b>	\$3,877.02
<b>Previous Approved CCOs</b>	\$70,643.87
<b>Total Contract</b>	<b>\$1,408,920.89</b>

The revised contract amount is an increase of 5.58% from the original amount.

## CUSD Board Agenda Item

Agenda Item: N 8

**Title:** Annual Concurrent Public Higher Education Program, Second Semester 2025-26

---

**CONTACT:** Marc Hammack

**FOR INFORMATION:** February 18, 2026

**FOR ACTION:** March 4, 2026

---

### **RECOMMENDATION:**

Approve the participation of students from Buchanan, Clovis, Clovis East, Clovis North, Clovis Online and Clovis West high schools in the Concurrent Public Higher Education Program for the second semester of the 2025-26 school year, as submitted.

### **DISCUSSION:**

Section 48800 of the California Education Code allows school district governing boards to authorize students to attend public higher education classes if students would benefit from the advanced scholastic or vocational training offered by public community colleges. School districts receive full Average Daily Attendance (ADA) credit for students participating in the program if the student attends his/her regular high school for at least 240 minutes per day or receives  $\frac{3}{4}$  of a full ADA if the student participating in this program attends their regular high school for at least 180 minutes per day.

Students at Buchanan, Clovis, Clovis East, Clovis North, Clovis Online and Clovis West high schools have participated in this program for the past several years. For the District to claim this additional ADA, audit forms will be required to verify that all students participating in the Concurrent Public Higher Education Program summarized above are approved by the Governing Board.

The 2025-26 second semester concurrent enrollment at the District's five comprehensive high schools and Clovis Online School is as follows:

<b>School</b>	<b>Enrollment</b>
Buchanan High School	21
Clovis High School	11
Clovis East High School	17
Clovis North High School	28
Clovis Online School	0
Clovis West High School	13
Total Enrollment	90

### **FISCAL IMPACT:**

ADA revenue as described above.

## CUSD Board Agenda Item

Agenda Item: N 9

**Title:** Resolution No. 4082 - Annual Self-Certifying Increased Federal Micro-Purchase Threshold

---

**CONTACT:** Michael Johnston

**FOR INFORMATION:** February 18, 2026

**FOR ACTION:** March 4, 2026

---

### **RECOMMENDATION:**

Adopt Resolution No. 4082 regarding the annual Self-Certifying Increased Federal Micro-Purchase Threshold pursuant to 2 Code of Federal Regulations (CFR) section 200.320.

### **DISCUSSION:**

Procedures outlined in government-wide regulations at 2 CFR section 200.320 provide that state agencies and program operators are responsible for determining and documenting an appropriate micro-purchase threshold based on internal controls, an evaluation of risk, and its documented procurement procedures. The regulations also provide that the micro-purchase threshold used must be authorized or not prohibited under state, local, or tribal laws or regulations. State agencies and program operators may establish a micro-purchase threshold that is higher than the federal threshold established in the Federal Acquisition Regulations (FAR).

Pursuant to 48 CFR section 2.101, an acquisition of supplies or services below the threshold of \$15,000 is, for the purpose of federal law, a "micro-purchase" which does not require formal procurement methods such as competitive bidding. The District is currently bound by the federal micro-purchase threshold of \$15,000 for applicable transactions funded by federal funds. Pursuant to 2 CFR section 200.320, non-federal entities, including local public school districts, may annually self-certify a micro-purchase threshold of up to \$50,000 if (1) the non-federal entity qualifies as a low-risk auditee, (2) the non-federal entity has an annual internal institutional risk assessment to identify, mitigate, and manage financial risks, or (3) a higher threshold would be consistent with state law.

The District is requesting approval to self-certify increasing the federal micro-purchase threshold to \$50,000.

### **FISCAL IMPACT:**

Increasing the micro-purchase threshold will result in purchase and project lead time reduction and cost savings.

### **REVISIONS:**

---

ATTACHMENTS:

**Description**

[Resolution No. 4082](#)

**Upload Date**

02-20-2026

**RESOLUTION NO. 4082  
BEFORE THE GOVERNING BOARD  
OF THE CLOVIS UNIFIED SCHOOL DISTRICT  
FRESNO COUNTY, CALIFORNIA**

**SELF-CERTIFYING INCREASED FEDERAL  
MICRO-PURCHASE THRESHOLD**

**WHEREAS**, pursuant to 48 Code of Federal Regulations (CFR) section 2.101, an acquisition of supplies or services below the threshold of \$15,000 is, for the purpose of federal law, a “micro-purchase” which does not require formal procurement methods such as competitive bidding; and

**WHEREAS**, the Clovis Unified School District is currently bound by the federal micro-purchase threshold of \$15,000 for applicable transactions funded by federal funds; and

**WHEREAS**, pursuant to 2 CFR section 200.320, non-federal entities, including local public school districts, may annually self-certify a micro-purchase threshold of up to \$50,000 if (1) the non-federal entity qualifies as a low-risk auditee, (2) the non-federal entity has an annual internal institutional risk assessment to identify, mitigate, and manage financial risks, or (3) a higher threshold would be consistent with state law; and

**WHEREAS**, the District may permissibly self-certify a higher micro-purchase threshold under the third potential justification set forth above because it would be consistent with state law, since California has higher thresholds. Specifically, California Uniform Public Construction Cost Accounting Act (UPCCAA) allows for purchase orders to be issued for public projects as set forth in Public Contract Code section 22000, a copy of which is attached hereto as **Exhibit A**; and

**WHEREAS**, for contracts and purchases for other goods and services, California generally requires competitive bidding for contracts and purchases over \$119,100. This threshold is in accordance with Public Contract Code section 20111(a), as has been adjusted pursuant to statute by the California Department of Education, as documented in the letter attached hereto as **Exhibit B**; and

**WHEREAS**, in accordance with the above, the District is justified in self-certifying a micro-purchase threshold of \$50,000 for contracts, purchase and for public projects.

**THEREFORE, BE IT RESOLVED** by the Board as follows:

1. The above recitals are true and correct.
2. The Board hereby self-certifies a limit of \$50,000 for federally funded micro-purchases provided that such purchases comply with all applicable laws.
3. The Board hereby instructs District staff to retain this resolution, as well as its exhibits, for a period of three years, in accordance with 2 CFR § 200.334.

**THE FOREGOING RESOLUTION** was adopted by the Governing Board of the Clovis Unified School District of Fresno County, State of California, at a regular meeting of said Board held on the 4<sup>th</sup> day of March, 2026, by the following vote:

AYES:

NOES:

ABSENT:

ABSTAIN:

---

Tiffany Stoker Madsen, President  
Governing Board  
Clovis Unified School District  
Fresno County, California

I, Wilma Tom Hashimoto, Clerk of the Governing Board of the Clovis Unified School District of Fresno County, State of California, do hereby certify that the foregoing is a true copy of the Resolution adopted by said Board at a regular meeting thereof, at the time and by the vote therein stated, which original Resolution is on file in the office of said Board.

---

Wilma Tom Hashimoto, Clerk  
Governing Board  
Clovis Unified School District  
Fresno County, California

**EXHIBIT A**  
**California Public Contract Code section 22000**

**ARTICLE 1. Legislative Intent and Definitions [22000 - 22003]**

**22000.**

This chapter shall be known and may be cited as the “Uniform Public Construction Cost Accounting Act.”

**22001.**

The Legislature finds and declares that there is a statewide need to promote uniformity of the cost accounting standards and bidding procedures on construction work performed or contracted by public entities in the state. This chapter provides for the development of cost accounting standards and an alternative method for the bidding of public works projects by public entities.

**22001.5.**

On or before January 1, 2009, the Controller shall send a notice to all public agencies describing the provisions of this chapter and the benefits of using its provisions. This notice shall also be included in any notification issued by the Controller pursuant to Section 22020.

**22002.**

(a) “Public agency,” for purposes of this chapter, means a city, county, city and county, including chartered cities and chartered counties, any special district, and any other agency of the state for the local performance of governmental or proprietary functions within limited boundaries.

“Public agency” also includes a nonprofit transit corporation wholly owned by a public agency and formed to carry out the purposes of the public agency.

(b) “Representatives of the construction industry” for purposes of this chapter, means a general contractor, subcontractor, or labor representative with experience in the field of public works construction.

(c) “Public project” means any of the following:

(1) Construction, reconstruction, erection, alteration, renovation, improvement, demolition, and repair work involving any publicly owned, leased, or operated facility.

(2) Painting or repainting of any publicly owned, leased, or operated facility.

(3) In the case of a publicly owned utility system, “public project” shall include only the construction, erection, improvement, or repair of dams, reservoirs, powerplants, and electrical transmission lines of 230,000 volts and higher.

(d) “Public project” does not include maintenance work. For purposes of this section, “maintenance work” includes all of the following:

(1) Routine, recurring, and usual work for the preservation or protection of any publicly owned or publicly operated facility for its intended purposes.

(2) Minor repainting.

(3) Resurfacing of streets and highways at less than one inch.

(4) Landscape maintenance, including mowing, watering, trimming, pruning, planting, replacement of plants, and servicing of irrigation and sprinkler systems.

(5) Work performed to keep, operate, and maintain publicly owned water, power, or waste disposal systems, including, but not limited to, dams, reservoirs, powerplants, and electrical transmission lines of 230,000 volts and higher.

(e) For purposes of this chapter, “facility” means any plant, building, structure, ground facility, utility system, subject to the limitation found in paragraph (3) of subdivision (c), real property, streets and highways, or other public work improvement.

**22003.**

A public agency which has, by resolution, elected to become subject to the uniform construction cost accounting procedures set forth in Article 2 (commencing with Section 22010), may utilize the bidding procedures set forth in Article 3 (commencing with Section 22030) when contracting for "maintenance work," as defined in Section 22002, or when contracting for any other work which does not fall within the definition of "public project," as defined in Section 22002.

**EXHIBIT B**

**Letter from the California Department of Education regarding Bidding Threshold**

**CALIFORNIA DEPARTMENT  
OF EDUCATION**

1430 N STREET, SACRAMENTO, CA 95814-5901 • 916-319-0800 • WWW.CDE.CA.GOV

**TONY THURMOND**  
STATE SUPERINTENDENT OF  
PUBLIC INSTRUCTION

December 8, 2025

Dear County and District Superintendents, County and District Chief Business Officials, and Charter School Administrators:

**Annual Adjustment to Bid Threshold for Contracts Awarded by School Districts**

*Public Contract Code (PCC)* Section 20111(a) requires school district governing boards to competitively bid and award any contracts involving an expenditure of more than \$50,000, adjusted for inflation, to the lowest responsible bidder. Contracts subject to competitive bidding include:

1. Purchase of equipment, materials, or supplies to be furnished, sold, or leased to the school district.
2. Services that are not construction services.
3. Repairs, including maintenance as defined in *PCC* Section 20115, that are not public projects as defined in *PCC* Section 22002(c).

The State Superintendent of Public Instruction (State Superintendent) is required to annually adjust the \$50,000 amount specified in *PCC* Section 20111(a) to reflect the percentage change in the annual average value of the Implicit Price Deflator for State and Local Government Purchases of Goods and Services for the United States, as published by the United States Department of Commerce, Bureau of Economic Analyst (BEA) for the 12-month period ending in the prior fiscal year. The inflation adjustment is rounded to the nearest one hundred dollars (\$100).

Pursuant to the above calculation, and effective January 1, 2026, the State Superintendent has determined that the inflation adjusted bid threshold will increase from \$114,800 to \$119,100. Shown below are the inflation adjusted bid thresholds for the current and two prior years.

Calendar Year	Bid Threshold	Percentage Change in Implicit Price Deflator
2024	\$114,500	4.79%
2025	\$114,800	0.259%
2026	\$119,100	3.772%

Also note that public projects as defined in *PCC* Section 22002(c), such as construction or reconstruction of publicly owned facilities, have a lower bid threshold of \$15,000 that is not adjusted for inflation. For more information on bidding requirements for all projects, refer to *PCC* sections 20110 to 20118.4.

This letter is posted on the Office of Financial Accountability and Information Services Correspondence web page at <https://www.cde.ca.gov/fg/ac/co/>.

## CUSD Board Agenda Item

Agenda Item: O 1

**Title:** California School Boards Association Delegate Assembly Election for Subregion 10-B

---

**CONTACT:** Corrine Folmer

**FOR INFORMATION:** February 18, 2026

**FOR ACTION:** March 4, 2026

---

### **RECOMMENDATION:**

The Governing Board may vote for up to three (3) individuals to serve as California School Boards Association (CSBA) Delegate Assembly members for Subregion 10-B (Fresno County).

### **DISCUSSION:**

Attached is a copy of the official ballot for Subregion 10-B for the election of representatives to the CSBA Delegate Assembly.

This ballot contains the names of four individuals nominated by member boards for Subregion 10-B. Each Subregion 10-B board may:

- Vote for up to three (3) individuals to serve as Delegate Assembly members for Subregion 10-B;
- Submit one ballot;
- Cast only one vote for any one candidate; and
- Submit a write-in candidate name.

The official ballot must be postmarked on or before Monday, March 16, 2026. All re-elected and newly elected delegates will serve two-year terms beginning April 1, 2026, through March 31, 2028, and are eligible to attend the Delegate Assembly meeting in May 2026.

This item gives the Board an opportunity to elect members to the Delegate Assembly in addition to the current delegates. At this time, Clovis Unified Governing Board Vice-President Hugh Awtrey and Board Member Yolanda Moore represent the District for Subregion 10-B in appointed positions. Vice-President Awtrey's term expires March 31, 2027, and Board Member Moore's current term expires March 31, 2026. Mrs. Moore has already been appointed to another two-year term beginning April 1, 2026.

### **FISCAL IMPACT:**

No fiscal impact.

### **REVISIONS:**

Updated ballot received from CSBA.

## CUSD Board Agenda Item

Agenda Item: O 2

**Title:** Memorandum of Understanding Between Clovis Unified School District and California School Employees Association, Chapter 250

---

**CONTACT:** Barry Jager

**FOR INFORMATION:** February 18, 2026

**FOR ACTION:** March 4, 2026

---

### **RECOMMENDATION:**

Approve the Memorandum of Understanding (MOU) between Clovis Unified School District and California School Employees Association, Chapter 250 to adjust the longevity pay amount effective July 1, 2025, and the Professional Growth program ensuring compliance with Public Employees' Retirement Law (PERL) and California Public Employees' Retirement System (CalPERS) regulations.

### **DISCUSSION:**

The District is actively working with CalPERS to address compliance requirements related to special compensation categories, specifically longevity and Professional Growth Pay.

The District applies Board-approved salary schedule increases to classified employees' longevity pay. To be compliant, each time the longevity amount is adjusted, an MOU must be established. Approving this MOU for the period effective July 1, 2025, will ensure that our employees' retirement benefits accurately reflect their longevity pay and it is creditable toward their retirement incentive.

Professional Growth Pay is another form of special compensation available to employees hired before July 1, 2006. This program was created to support classified employees in advancing their skills and knowledge within their career paths. The MOU for Professional Growth Pay will secure this compensation as part of the retirement incentive calculation for eligible employees.

### **FISCAL IMPACT:**

As identified in the collective bargaining agreement.

### **REVISIONS:**

---

### **ATTACHMENTS:**

Description	Upload Date
<a href="#">Tentative Agreement</a>	02-19-2026

Tentative Agreement  
by  
California School Employees Association and its Clovis Chapter 250 (Together "CSEA")  
and the  
Clovis Unified School District ("District")

This Tentative Agreement is entered into by the California School Employees Association and its Clovis Chapter 250 (together "CSEA") and the Clovis Unified School District ("District"), collectively "the Parties."

The Parties wish to resolve negotiations for the 2025-2026 school year and to resolve the remaining issues from Public Employment Relations Board ("PERB") Decision No. 2946. Therefore, the Parties agree as follows:

1. **Article 12: Compensation**

**Salaries**

Effective July 1, 2025, CSEA bargaining unit members will receive a three and one half percent (3.5%) increase to the Classified Operations Unit salary schedule for the 2025-2026 school year. If any other employee group receives more than a 3.5% increase to its salary schedule for the 2025-2026 school year, CSEA bargaining unit members will receive the equivalent of the highest percentage increase provided to another employee group. Any increase to the Classified Operations Unit salary schedule will not include adjustments from items such as reclassifications, classification studies, or market studies.

The District will grant all voting eligible bargaining unit members one (1) hour of release time for the purpose of voting on the CBA ratification.

2. **Article 10: Safety**

The Parties agree that the District will follow OSHA requirements regarding working conditions exacerbated by weather. Except as set forth above, all other terms and conditions as set forth in the parties 2023-2026 collective bargaining agreement shall remain status quo.

3. **PERB Decision No. 2946**

The Parties wish to resolve all remaining issues resulting from PERB Decision No. 2946. Specifically, the Parties wish to resolve all compliance issues resulting from Decision No. 2946. Therefore, the Parties agree as follows:

A. As a result of the District's classification study, effective July 1, 2025, the compensation of Transportation Vehicle Mechanic I has been adjusted to Grade 25, Transportation Vehicle Mechanic II has been adjusted to a Grade 29, and Transportation Vehicle Service Worker I has been adjusted to Grade 15. Based on these three

adjustments, the Parties agree no further negotiations on the salary grades of these three positions is necessary and that the issue is fully resolved.

B. The Parties agree there are no additional bargaining costs or interest owed by District to CSEA resulting from Decision No. 2946 and that this issue is fully resolved.

C. The Parties agree that in all respects the District has complied with the Order in PERB Decision No. 2946 and that all issues resulting from that decision are fully resolved.

This Agreement shall be effective on the date of execution by the parties, or, if ratification is necessary based on the internal procedures of either party, as of the date of ratification.

## CUSD Board Agenda Item

Agenda Item: 03

**Title:** New Job Description - Instrument Repair Specialist

---

**CONTACT:** Barry Jager

**FOR INFORMATION:** February 18, 2026

**FOR ACTION:** March 4, 2026

---

**RECOMMENDATION:**

Approve the job description for the new position of Instrument Repair Specialist, as submitted.

**DISCUSSION:**

Instrument repair and cleaning costs have increased over time, placing additional strain on school site budgets. The addition of an Instrument Repair Specialist would allow the District to provide consistent, timely repair and cleaning services throughout the school year. This centralized support would reduce the need for school sites to make discretionary decisions regarding instrument maintenance based solely on site-level budget constraints.

This position would support regular, preventive maintenance of the District's instrument inventory, extending the useful life of instruments and reducing long-term repair and replacement costs.

**FISCAL IMPACT:**

Prop 28 funds totaling \$119,632 for salary and benefits.

**REVISIONS:**

---

**ATTACHMENTS:**

**Description**

[Instrument Repair Specialist](#)

## **CLOVIS UNIFIED SCHOOL DISTRICT**

**Job Description: Instrument Repair Specialist**

**Salary Grade: 23**

**Salary Schedule: Classified**

**Department/Site: Visual and Performing Arts**

**Reports to: Director of Visual and Performing Arts**

**FLSA: Non-Exempt**

### **Summary:**

Under the general direction of the Director of Visual and Performing Arts, the Instrument Repair Specialist performs evaluation, repairs, setups, maintenance, and distribution of brass, wind, string, and percussion instruments to student musicians, and performs related work as required. This position provides the school community with support in providing a quality arts program that directly supports student learning and achievement.

### **ESSENTIAL DUTIES AND RESPONSIBILITIES:**

- Cares for and maintains tools, equipment, and shop areas.
- Communicates with other departments, students, staff, and outside agencies to exchange information, coordinate activities, and resolve issues; performs emergency instrumental repairs as requested.
- Dismantles and reassembles musical instruments; removes keys, rods, corks, pads, and valves; cleans keys, hinges, tubes, rods, and bodies of instruments; replaces and fits keys, pads, cork felts, and heads; aligns valves and straightens slides; resets bridges and repairs bows; determines salvageability of damaged instruments; creates new parts for obsolete instruments.
- Maintains inventory of parts and supplies, and orders replacement inventory when necessary.
- Maintains records, provides reports, and records work data; utilizes an online inventory management system to ensure the availability of sufficient inventory and keeps track of assets. Operates within a defined budget.
- Maintains work site and storage areas in a clean and orderly condition, protecting building occupants from work site hazards.
- May participate in or provide services for production areas beyond instrument repair, including the operation of production equipment during production.
- Performs skilled and semi-skilled work in connection with the maintenance, repair, and improvement of musical instruments and equipment, including a variety of brass, woodwind, string, and percussion instruments and cases.
- Picks up and delivers instruments to various locations.
- Provides guidance to students and staff regarding the proper operation, care, and storage of instruments; serves as a resource to district staff, students, and others regarding instruments and instrument repair.
- Removes dents; chemically cleans brass and woodwind instruments, including acid washings; polishes and buffs instruments.
- Uses standardized industry procedures.
- Sanitizes instruments after use so they can be distributed to new students.
- Supervises and schedules non-contracted staff, including students.

Board Approved TBD

- Performs other related duties as assigned.

**QUALIFICATIONS:**

**KNOWLEDGE OF:** Methods, materials, tools, and equipment common to the servicing and repair of musical instruments. Safety practices and procedures. Current policies, laws, and procedures of the District. Principles and practices in brass, woodwind, string, and percussion musical instrument repair. Operation of a variety of hand and power tools. Chemicals used in cleaning instruments.

**SKILLS AND ABILITIES TO:** Support performance by multiple programs throughout the school year. Learn, interpret, explain, and apply knowledge of District and department organization, operations, programs, and functions. Apply independent judgment and discretion in coordination with limited facilities. Work with staff in stressful or high-pressure situations created by strict deadlines. Teach and instruct others. Ensure that safety is a priority. Proficiently play brass, string, percussion, or woodwind instrument. Build harmony among team members and convey aesthetic concepts.

**EDUCATION AND EXPERIENCE REQUIRED:** Requires a bachelor's degree and five years of experience in instrument repair or related experience. Additional experience may substitute for some higher education.

**LICENSE(S) and CERTIFICATIONS REQUIRED:** Valid current California Driver's License. Completion of a certified instrument repair program or equivalent is preferred but not required. Pass the District's applicable proficiency exam for the job class with a satisfactory score.

**WORK ENVIRONMENT/ PHYSICAL DEMANDS:** Work is performed indoors in a shop environment and occasionally outdoors where safety considerations exist from physical labor and working with or in the vicinity of electrical connections and tools. Stand for extended periods of time and walk up to 100 yards. Regularly lift and/or move up to 50 pounds. Lift, carry, push or pull heavy objects up to 100 pounds with assistance. Climb (e.g. ladders), stoop, kneel, and crouch on a regular basis. Hand-eye coordination. Hand and finger dexterity include ability to grasp and operate shop equipment, and calibrate instruments and dials. Auditory ability to hear and discern operating levels from equipment. Near and far visual acuity to read printed materials, notice moving objects, observe work in progress, and view production displays. Speaking ability to carry on ordinary conversations.

## CUSD Board Agenda Item

Agenda Item: P 1

**Title:** Memorandum of Understanding Between Clovis Unified School District and the Association of Clovis Educators Naturalists and Naturalists Substitutes

---

**CONTACT:** Barry Jager

**FOR INFORMATION:** March 4, 2026

**FOR ACTION:** March 18, 2026

---

**RECOMMENDATION:**

Ratify the Memorandum of Understanding (MOU) between Clovis Unified School District and the Association of Clovis Educators (ACE) Naturalists to create vacancies for two (2) employees currently identified as Naturalists substitutes to be reclassified as Naturalists.

**DISCUSSION:**

Upon agreement by both parties, ACE Naturalists and the District agree to the following: The District and ACE desire to reclassify two (2) employees currently identified as Naturalists substitutes as Naturalists; and the two (2) ACE Naturalists employees will have their workday increased to 27 hours and 22.5 hours respectively. Both parties desire to resolve any and all employment issues regarding the two (2) Naturalists employees.

**FISCAL IMPACT:**

The fiscal impact for salaries and benefits attributable to retroactive payments totals \$16,584.04 for 2024-25 and \$3,568.99 for 2025-26, resulting in a combined impact of \$20,153.03 to the 2025-26 General Fund.

## CUSD Board Agenda Item

Agenda Item: P 2

**Title:** Administrator Contract - Administrator, Facility Services

---

**CONTACT:** Barry Jager

**FOR INFORMATION:** March 4, 2026

**FOR ACTION:** March 18, 2026

---

**RECOMMENDATION:**

Approve the new employment contract for Administrator, Facility Services.

**DISCUSSION:**

Action is needed by the Board to review and approve the new contract terms with no other changes through June 30, 2029.

**FISCAL IMPACT:**

No fiscal impact. This contract is included in the proposed 2026-27 budget.

**REVISIONS:**

---

## CUSD Board Agenda Item

Agenda Item: P 3

**Title:** Amendment to Administrator Contract - Superintendent

---

**CONTACT:** Barry Jager

**FOR INFORMATION:** March 4, 2026

**FOR ACTION:** March 18, 2026

---

**RECOMMENDATION:**

Adopt an amendment to the contract for Superintendent.

**DISCUSSION:**

The Board hired and approved an employment agreement with the Superintendent dated March 29, 2023. The employment agreement does not include any automatic salary adjustments and, to date, the Superintendent's base salary has remained unchanged.

The Board will consider a discretionary base salary adjustment based on performance pursuant to section III(C) of the employment agreement. Any change of salary will be orally reported out consistent with Government Code section 54953(d).

**FISCAL IMPACT:**

Any increase in the amount of the Superintendent's base salary to be funded by the General Fund.

## CUSD Board Agenda Item

Agenda Item: P 4

**Title:** Annual Approval of the Second Interim Financial Report with a Positive Certification

---

**CONTACT:** Michael Johnston

**FOR INFORMATION:** March 4, 2026

**FOR ACTION:** March 18, 2026

---

### **RECOMMENDATION:**

Approve the District's Second Interim Financial Report and adopt a Positive Certification indicating the District will be able to meet its financial obligations for the remainder of the 2025-26 school year as required by Assembly Bill 1200.

### **DISCUSSION:**

The District completes Quarterly Financial Reports for review by the Governing Board to reflect the District's updated financial status. The District has used this report to meet the requirements of Assembly Bill 1200, which requires the Board to review the financial condition of the District based on financial decisions made between November 1, 2025, and January 31, 2026. This requirement is referred to as the Second Interim Report.

After review of the report, the Governing Board must adopt one of the following certifications: Positive, Qualified or Negative. The Second Interim Report reflects Positive Certification that the District will be able to meet its financial obligations for the remainder of the 2025-26 school year and two subsequent years. The report indicates continued financial health of the District based on State criteria and standards as outlined in AB 1200.

A link to the Second Interim Financial Report will be provided to the Board members with their agenda materials for the March 18, 2026, Board meeting.

### **FISCAL IMPACT:**

Fiscal impact as presented in report.
