Title: Voluntary Community Recreation Programs

FOR INFORMATION: **FOR ACTION:** October 28, 2026

RECOMMENDATION:
Approve the Voluntary Community Recreation Programs, as submitted.

DISCUSSION:
The Clovis Community Sports and Recreation Department provides and operates noneducational, athletic and recreation programs and activities for the access and enjoyment of Clovis and surrounding communities. Such noneducational, recreational programs and activities are not part of the District's curricular, extracurricular, or co-curricular educational programs, and are entirely separate and distinct from the District's educational program. The Department's recreational offerings are available to all age-appropriate participants in Clovis, Fresno, and surrounding communities, whether or not such participants are enrolled in the District's educational program, and students enrolled in the District's educational program are never required to participate in the Department's noneducational, recreational programs or activities.

The proposed costs listed below are to attend the camp/clinic and may not include additional items such as spirit packs, shirts, jerseys, etc. The additional items will be provided at cost with no profit for the program. To JT2, Inc. dba Todd Companies
P O Box 6820
Visalia, California 93290

01	Bid set versus approved set.	$20,760.00	Unforeseen Condition

Description: Bid set versus approved set.
Requested By: Unforeseen Condition. $20,760.00 to be added to the contract.
Reason for Change: Unforeseen Condition. There was a difference of added materials and labor from the 95% drawings to the 100% drawings. The 95% drawings is what they bid from. Reason for Change: District Change. Extend access drive paving on north side of basketball court by 45' by 12' with 3" asphalt, 12" aggregate base, 1-layer geofabric. The revised paving limits resulted in an increase in 13.5 tons of asphalt, 53 tons of aggregate base, and 750 square feet of geofabric.

Item No.	Item Description	Item Amount	Reason for Change
03	Credit: Reduce basketball court length by 3'-0".	$(728.48)	Unforeseen Condition

Description: Credit: Reduce basketball court length by 3'-0".

Title: Annual Concurrent Public Higher Education Program, First Semester 2026-27

CONTACT: Marc Hammack

FOR INFORMATION: October 14, 2026 **FOR ACTION:** October 28, 2026

RECOMMENDATION:
Approve the participation of students from Buchanan, Clovis, Clovis East, Clovis North, Clovis Online, and Clovis West high schools in the Concurrent Public Higher Education Program for the first semester of the 2026-27 school year, as submitted.

DISCUSSION:
Section 4880 of the California Education Code allows governing boards of school districts to authorize students to attend public higher education classes if students would benefit from the advanced scholastic or vocational training offered by public community colleges. School districts receive full Average Daily Attendance (ADA) credit for students participating in the program if the student attends his/her regular high school for at least 240 minutes per day or receives ¾ of a full ADA if the student participating in this program attends their regular high school for at least 180 minutes per day.

Students at Buchanan, Clovis, Clovis East, Clovis North, Clovis Online, and Clovis West high schools have participated in this program for the past several years. For the District to claim this additional ADA, audit forms will be required to verify that all students participating in the Concurrent Public Higher Education Program summarized above are approved by the Governing Board.

The 2026-27 first semester concurrent enrollment in the Clovis Community College Advantage Program (CCCAP) at the District's five comprehensive high schools and Clovis Online School is as follows:

School	Enrollment
Buchanan High School	18
Clovis High School	11
Clovis East High School	18
Clovis North High School	34
Clovis Online School	6
Clovis West High School	10
Total Enrollment	97

FISCAL IMPACT:

Title: Annual Agreement with California Teaching Fellows Foundation and the Education Pathway Program with Clovis Unified School District's Career Technical Education

---

CONTACT: Marc Hammack

FOR INFORMATION: October 14, 2026 **FOR ACTION:** October 28, 2026

RECOMMENDATION:
Authorize the Superintendent or designee to execute an annual service agreement with California Teaching Fellows Foundation (CTFF) for the 2026-27 school year to provide professional development for the Clovis Unified School District (CUSD) Career Technical Education (CTE) Education Pathway program.

DISCUSSION:
The District's agreement with CTFF is a partnership devoted to increasing the number of CUSD students who complete the 9-12 Careers in Education Pathway, transition into a pathway-related postsecondary program of study, and complete a bachelor's degree and teaching credential.

This partnership is another element of the District's "grow our own" approach to recruiting future CUSD teachers. CTFF staff will provide a work-based learning coordinator, stipends for CUSD student interns serving as tutors in the District's summer schools, and a one-stop-shop of support and counseling for CUSD's education pathway students.

FISCAL IMPACT:
$102,550 will be funded by the California Technical Education Incentive Grant (CTEIG).

Title: General Waiver for Educational Interpreters for Deaf and Hard of Hearing Pupils

---

CONTACT: Denver Stairs

FOR INFORMATION: **FOR ACTION:** October 28, 2026

RECOMMENDATION:
Approve a General Waiver for Educational Interpreters for Deaf and Hard of Hearing Pupils for the recommended pre-certified interpreter candidates, as submitted.

DISCUSSION:
District Administration has actively sought qualified candidates who hold the appropriate National Registry of Interpreters for the Deaf (RID) certification, or an equivalent certification. In accordance with State requirements, educational interpreters must also have achieved a score of 4.0 or higher on one of the following assessments: Educational Interpreter Performance Assessment (EIPA), Educational Sign Skills Evaluation-Interpreter and Receptive (ESSE-I/R), National Association of the Deaf/American Consortium of Certified Interpreters (NAD/ACCI) Assessment.

In cases where an interpreter candidate has not yet obtained the required certification, it is necessary to request a General Waiver from the State Board of Education (SBE). To be eligible for a waiver, a pre-certified interpreter candidate must have earned a score between 3.0 and 3.9 on the EIPA, ESSE-I/R, or NAD/ACCI assessment.

Clovis Unified School District intends to submit a General Waiver request for Educational Interpreters for the following pre-certified interpreter candidates, contingent upon administrative and Board approval:

Name of Applicant	Assignment	Grade Level	Department
Elizabeth Wimpey	Pre-Certified Educational Interpreter	K-12	Special Education
Margarita Vidales	Pre-Certified Educational Interpreter	K-12	Special Education

A General Waiver request shall be requested for one school year.

Upon approval from the Board, the SBE can then consider the requests. This General Waiver requests for Educational Interpreters for Deaf and Hard of Hearing Pupils is being presented directly for action due to immediate hiring needs.

Members of the public who would like to comment on this agenda item at this October 28, 2026, Board meeting are invited to fill out a Public Comment Form, in person, just prior to the start of the public meeting.

Title: Updated School Plans for Student Achievement and Categorical Budgets for Title I Schools for 2026-27

CONTACT: Marc Hammack

FOR INFORMATION: October 28, 2026 **FOR ACTION:** November 18, 2026

RECOMMENDATION:
Authorize the Superintendent or designee to approve updated School Plans for Student Achievement (SPSAs) and updated categorical budgets for Title I schools for the 2026-27 school year due to an increase in Title I funding and authorize each school to implement its categorical programs.

DISCUSSION:
An increase in Title I funding resulted in a substantial increase in Title I school site allocations. Current Title I schools have updated their SPSAs in collaboration with their School Site Council (SSC) to create an updated school plan that supports the academic needs of their students.

The purpose of the SPSA is to create a cycle of continuous improvement of student academic performance, as measured by State and District assessments. The goal is for all students to illustrate growth and achieve at rigorous levels.

Annually, Clovis Unified schools work in collaboration with their SSC and English Language Advisory Committees (ELAC) to develop their school site SPSA. These groups of parents and school staff collect and analyze students' performance data, set priorities for program improvement, use rigorous research-based strategies, conduct on-going monitoring of results and review budgets. SPSAs are approved annually by the site's SSC in the spring and then reviewed and approved by the CUSD Governing Board in May/June of each school year.

The 2026-27 SPSA is based on the state's funding allocations. A copy of each school's SPSA is currently available to interested parties for review at the school site, and upon approval, will be posted to the CUSD website.

The agreement runs from July 1, 2026 - June 30, 2027.

FISCAL IMPACT:
State and federal funding allocations are already included in the adopted 2026-27 budget.

Title: Proposition 2 Career Technical Education Facilities Program Grant Application

---

CONTACT: Marc Hammack

FOR INFORMATION: October 28, 2026 **FOR ACTION:** November 18, 2026

RECOMMENDATION:
Approve the submission of the District's Proposition 2 Career Technical Education Facilities Program (CTEFP) grant application for Clovis South High School's Financial Services Career Technical Education (CTE) Program, as submitted.

DISCUSSION:
In January, 2026, the State Allocation Board approved $300 million for the CTEFP funding cycle. In the past, all five of our existing high schools have been awarded a portion of these funds to support our CTE programs. This year, Clovis South High School will apply for the current round of grant monies. Applications are due December 1, 2026. CTEFP applicants must provide a matching contribution at least equal to the State grant. All applicants must have an active Career Technical Advisory Committee.

CTEFP allocates funds to qualifying school districts and joint powers authorities that have a need for the construction of new facilities, modernization or reconfiguration of existing facilities, and/or the purchase of equipment in accordance with Education Code 17078.72. The Clovis Unified application will be for equipment, infrastructure, and a construction project for the CTE Financial Services classroom and bank branch at Clovis South High School.

School	Industry Sector	Pathway
Clovis South High School	Business and Finance	Financial Services

FISCAL IMPACT:
The overall fiscal impact depends on the final grant award and support from our banking partner. If awarded the maximum amount of $3 million, the District will be required to provide a 1:1 matching contribution.
