

CLOVIS UNIFIED SCHOOL DISTRICT

POSITION DESCRIPTION

Position:	Assistant Director	FLSA:	Exempt
Department/Site:	Budget and Finance	Salary Grade:	50
Reports to/Evaluated by:	Assistant Superintendent, Business Services	Salary Schedule:	Classified Management

SUMMARY

Under general direction plans, organizes and supervises the duties of the Budget and Finance Department, Payroll, and/or Accounting to ensure accurate and timely financial reports including quarterly SACS reporting. Performs highly complex fiscal related work according to generally accepted accounting principles, established administrative procedures, departmental guidelines, and regulatory requirements applicable to the position. Position exercises independent and highly technical thought and analysis in financial management to produce reports and recommendations.

DISTINGUISHING CAREER FEATURES

This is a management level position within the Business Services division. The position performs work which is complex and technical in nature. Work is performed independently, guided by California Education Code, Board Policy, Standardized Account Code Structure (SACS) and standard operating procedures. Advancement to this position could be lateral or through the Business Services ladder. Prospective incumbents must have considerable supervisory experience or management training. Advancement from Budget and Finance Assistant Director is possible with the proper level and variety of leadership experience, knowledge, and formal education.

ESSENTIAL DUTIES AND RESPONSIBILITIES

- Assists the Assistant Superintendent of Business Services in the preparation and administration of all financial reports, including but not limited to the annual budget, quarterly financial reports, and the year- end financial report.
- Supervise, provide clear work direction, and evaluate the performance of assigned personnel; provide clear, constructive feedback to improve staff effectiveness; recommend performance improvement plan, disciplinary and other personnel-related actions; train personnel in assigned areas.
- Direct, control and monitor appropriate workflow, computer system procedures, staff development, priorities, and work assignments to provide timely delivery of high-quality services to staff, sites and departments.
- Interprets and explains fiscal policies and guidelines to employees, sites, and departments. Assists staff in the understanding and application of fiscal responsibilities, policies, and procedures.

- Collaborate with leaders and staff from other departments on issues and problems related to assigned area; evaluate and enhance programs to align to District standards.
- Initiate, complete, evaluate and validate a variety of state, local and federal reports, and financial statements in a timely manner to ensure accuracy and completeness; coordinate the collection of data through computer-generated reports; compose correspondence and maintain records.
- Assist the Assistant Superintendent in addressing audit exceptions, regulations, and reporting requirement changes and creates accounting practices and procedures to adhere to changes needed.
- Identify, and participate in maintaining, sound internal accounting controls. Apply preestablished accounting controls to balance sheets, fund accounts and special accounts according to generally accepted accounting principles.
- Maintains current knowledge of the State's Standardized Account Code Structure (SACS), ensuring the District Chart of Accounts is up to date and compliant.
- Complete quarterly SACS reports. File Federal, State, and local budget reports as required. Prepare various ad hoc and regular recurring reports for external agencies including those mandated.
- Analyze and evaluate automated financial systems, computer-generated financial reports, and other automated programs. Be a Munis Functional Lead assisting and leading system upgrades and process improvement.
- Performs other duties as assigned that support the goals of the department and the Strategic Plan of the District.

QUALIFICATIONS

Knowledge and Skills: Considerable knowledge of the principles and procedures of accounting, auditing, and finance with additional expertise in budget preparation, administration, and position control. Comprehensive understanding of District operations, policies, procedures, and goals is essential. Thorough knowledge of District financial processes and programs is essential. In-depth knowledge of Federal, State, and local laws and regulations applying to District budget and financial operations is essential. Requires sufficient human relations skills to convey personal and technical information to all levels of staff.

Abilities: Requires the ability to perform all aspects of the position. Must be able to prepare clear, complete, and concise financial records. Advanced Excel skills, including ability to work with formulas, perform v-lookups, modify and create pivot and data tables. Requires the ability to think outside the box, analyze situations, develop, and adopt effective solutions.
