

Position: Co-curricular-various positions

FLSA: Exempt

Reports to/Evaluated by: Site Administrator

Salary Schedule:
Clovis Sports and Recreation Programs

SUMMARY

These positions provide services related to coaching student sports, academic teams, and supporting student programs. The positions manage all aspects of student supervision, instruction, and support required for competitive teams (including athletic and academic competitions), as well as non-competitive student activities and interventions such as yearbook, detention, and other enrichment programs. Responsibilities may vary depending on whether the assignment involves formal team competition or general student support services.

QUALIFICATIONS

Knowledge and Skills: General knowledge of student and school site rules, instructional practices, and student supervision requirements. Ability to provide instruction, guidance, and coaching to students in individual or group settings, including both competitive and non-competitive activities. May require specialized knowledge in a specific sport, academic subject area, or student program.

Abilities: Ability to effectively instruct, supervise, and support students in both competitive and non-competitive educational settings as an extension of the regular instructional program. Must be able to work collaboratively with students, staff, parents, and community members in support of student development and participation.
